## MAKE YOUR SELFIE 'POP'

And by **pop** we mean Pop Art! Design your own piece of pop art inspired by your best selfie and Andy Warhol. All you need is a smartphone, a printer, 6 colored pens/pencils and paper. Take your selfie and print it out six times in black and white. Then on each selfie use just 2 coloring pencils to color your hair, face and eyes. After that, color in the background. Once each selfie is colored in, cut them out and stick them onto a sheet of paper side by side. [More details here!](#)

## BEER HERE!

Did you know that PA is ranked the #2 state with the most craft breweries? According to [The Brewers Association's Report](#), there are 531 craft breweries in our state! In Allegheny County we have about 50 breweries. As a matter of fact, [Back Alley Brewing Company](#) just opened their tap room this spring in Dormont, and [Hazel Grove Brewing](#) is opening in Hazelwood soon! Get out and discover a new business in your neck of the woods and enjoy a beer to cool down on a hot summer day!

## CELEBRITY MEMOIRS YOU MAY HAVE MISSED

Hugh Bonneville, Simu Liu, Geena Davis, Minnie Driver and Michael K Williams. Book covers will take you right to the library catalog listing!
